A number of our members attended the event at Disneyworld in September. Two of our younger members Jarrod Freeman and Nerida Gregory won the open male and female world titles. Jarrod (292) won by 11 strokes and Nerida (306) by a staggering 39! Victorian lefty Bian Lynch captained the international team to a win over the USA winning the James Cup for the first time. Australia were third behind the USA and Japan in the Doug Crosby World Cup. All the results and an excellent photo gallery may be viewed on the USA's website at [www.nalg.org](http://www.nalg.org). The next Worlds are to be held in June 2012 at Dundee, Scotland.

Thanks to Bert Adams for his report.

## National Championships - 25th - 29th October 2010 - Fleurieu Peninsula SA

Langdon Emery sent this report on the event.

Paul Smallman and his team are to be congratulated on a very successful National Championships held on the Fleurieu Peninsula SA. There could not have been a better location for the tournament with excellent golf courses and, as it turned out, great weather. We only had the brollies up for the last few holes on the Friday afternoon. The four courses were quite diverse each having their individual challenges. Links Lady Bay and McCracken are links-type courses with plenty of water on both, whilst Victor Harbour and South Lakes are more traditional. The greens at Victor were superb.

The NSW contingent may have been a little disappointing numbers wise, only 17 players, but the quality was there. The team of Justin Kellett, Sean McCartan, David Peters and Moe Nagi retained the Len Nettlefold Cup for the eighth straight year. Kimberley Goodwin won the National Ladies Championship and Moe Nagi was the Mens A grade champion. Justin Kellett, Sean Mc Cartan and Ian Campbell collected runners up trophies.

All in all an excellent tournament and we all came away looking forward to next year's event at Cobram Barooga where the Riverina division will be our hosts. Congratulations to all the winners and commiserations to the rest of us. Visit the SA website [www.nalgsa.net](http://www.nalgsa.net) for the results and photo gallery.
